Dear Resident,

Curnock St Estate
Hot Water Service Shutdown To Blocks Mexborough, Billingley,
Goldthorpe and Darfield Thursday 15/9/2011.

Please be aware that your hot water service will be shut down next **Thursday** between the hours of **8.00am to 6.00pm**, this is to carry out the final connections to the new hot water pipework within the car park below your blocks.

Please ensure that you keep your hot water taps turned off during this period, if you turn your tap on and there is no water coming out you must turn the tap back off, failure to do this will result in sinks and basins overflowing and causing flooding once the service is switched back on.

I can be contacted on **07880907548**, or alternatively you can contact me on the above office number. The site office will be open Monday-Friday between 8am – 5pm.

Yours sincerely,

Colyn Stephenson
